SETTING THE TONE *by Fr. Ben Hawley, SJ*

“The person in charge sets the tone.” I have never seen this statement in any book of management, administration, or

leadership. But it should be in such books, and it should be in the mind and heart of parents, teachers, coaches, priests, supervisors and managers (among others), because they are the tone-setters of those entrusted to them. Our model is Jesus, who sets a tone of compassion, generosity and honesty. The Kingdom is the place where Jesus’ is the only tone.

In a parish the pastor sets the tone. A change of pastors, therefore, has profound implications for the parish institution. To the extent that his tone has been aggressive, or authoritarian, then his departure will be a relief. To the extent that his tone has been forward-looking, compassionate, and faith-filled, then his departure can be a source of anxiety.

Faithful Catholics can believe that Jesus influences choices of pastors without interfering with the freewill of the Jesuit provincial and the bishop who appoint them. In our parish the selection of a long-term pastor will occur a year from now. For the moment we have two interim pastors, known officially as

parish administrators, Fr. Joe Wagner, SJ, and Fr. Jim Gartland, SJ, and we are embarking on the process of transition from me to them.

In this transition it will be helpful to keep certain principles in mind.

First principle: “If you have met one Jesuit, then you have met one Jesuit.” This principle contrasts to the idea that “If you have met one (fill in the blank), then you have met them all.” But in fairness the former principle applies to us all. Whoever the new parish administrators and eventual pastor are, they are not me. They will have their own ideas and ways of proceeding. Even if they set a similar tone, it will be their tone and not mine.

It is important therefore for us to set expectations that allow for this difference, hoping that they will also take the time for their own transition to the reality that is our parish today.

Second principle: Human life moves forward, not backward. However much one may have valued an earlier iteration of this parish or the present iteration, the parish can only continue to evolve into our future, not to try to stay in this present or return to how we may remember an earlier stage.

The transition process can be harder than it looks. One way of doing things becomes the norm, and adjusting to someone and something new can be challenging.

Our helper in this transition is of course the Good Shepherd who hears our voices and offers his comfort, strength and guidance as we move forward through the unknown of transition. We can be confident in his care of us since he has done so much for us already.

This is the day the Lord has made. Let us rejoice and be glad.

CENTERING PRAYER

MONDAYS | 6:30 PM

Centering Prayer is a silent practice of prayer that rests on the faith that Christ is present within by his Holy Spirit. It is an excellent preparation for contemplative prayer, which is a grace or gift bestowed by God.

Centering Prayer is an intentional openness to, or practice of "waiting" on God, encouraging the building of a more intimate relationship with Jesus and the movement of the Holy Spirit. It is rooted in centuries-old monastic prayer. The book "Open Heart, Open Mind" by Fr. Thomas Keating, OCSO is a good introduction. The first Monday of each month we listen to an introduction to centering prayer and then pray for 20 minutes. Otherwise, we typically sit and pray for two 20-minute sessions with a short meditative walk in between. All are welcome.

2018 DIOCESAN SERVICES APPEAL

Our DSA theme this year, “Go and Announce the Gospel of the Lord” reminds us that each of us is called to discipleship, to grow actively in faith and to go and share the good news with the world. We are proud to share with you that our parish has a long history of support for dozens of ministries that offer direct assistance to individuals and families and to our parishes, Catholic schools, and Catholic Charities agencies across our diocese.

Each year, DSA unites all 77 parishes of our diocese, drawing us together to achieve far more than any individual or any single parish could accomplish alone. Our overall diocesan goal for this year’s appeal is \$5,000,000. **Our parish goal this year is \$80,814.**

As you prayerfully consider your contribution this week, we encourage you to be motivated by gratitude for the financial gifts with which God has graced us as the stewards of His Holy Catholic Church.

Once we reach our parish goal, 50% of all contributions received, over and above our parish goal, will be returned to our parish for local use.

Pledge cards can be found on the table in the atrium. Or, you can give online at stmarystudentparish.org/2018-diocesan-services-appeal/

There are so many reasons to give to the DSA. Here are a few that may resonate with you and your family:

Give to the DSA so the homeless in our parish and our diocese will be able to receive food and shelter as well as counseling services.

...so the poor in our parish, and throughout our diocese, can receive a warm meal from our diocesan food kitchens.

... so refugees can receive resettlement and support services.

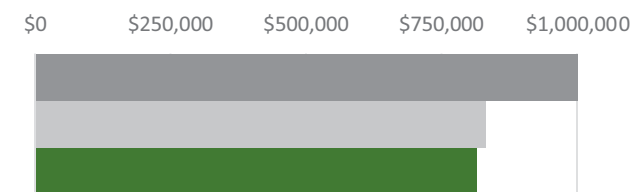

...so our St. Francis Retreat Center can continue to offer refuge, solace, and a beautiful space for the Spirit to work miracles through the encounters that occur on its grounds.

... so Faith-Based counseling can be offered at our Catholic Charities agencies to incorporate the love of Jesus Christ and the tenants of the Catholic faith to offer hope to all who are hurting and struggling.

With our generous gifts to DSA, we help our diocese reach out to those who are in need of our compassion, our love and our mercy and to those who have yet to know Christ’s love through the work of the Catholic Church.
