

# ST. MARY STUDENT PARISH

CATHOLIC CAMPUS MINISTRY AT THE UNIVERSITY OF MICHIGAN

JANUARY 15, 2017

Second Sunday  
in Ordinary Time

Darkness cannot  
drive out darkness;  
only light can do  
that. Hate cannot  
drive out hate; only  
love can do that.

—Dr. Martin Luther King, Jr.

## JANUARY WARMING CENTER - Creating a Culture of Encounter

by Lisa Hirsch

Pope Francis has repeatedly written and preached about the necessity of Catholics and all people to create a "culture of encounter". He ties our essential spiritual encounter with Christ to our call to follow Christ's example and encounter each other with love, mercy and respect. He says "We are accustomed to a culture of indifference and we must strive and ask for the grace to create a culture of encounter, of a fruitful encounter, of an encounter that restores to each person his or her own dignity as a child of God, the dignity of a living person." This January, St. Mary Student Parish is hosting the Daytime Warming Center and offering each of us the opportunity to help build this "culture of encounter" that Pope Francis is encouraging.

An encounter requires give and take. It requires listening not just with our ears but with our hearts. Listening not to respond, but to understand first. An encounter changes both people. It pulls us out of our comfort zone and into a new place of vulnerability. And this encounter has the potential to lead us to a new place of compassion, of connection, of love.

My experience with the January Warming Center the past two years has been one of profound encounter.

Initially, I was nervous about going into the Newman Hall and interacting with people who were on the margins of our society. What could I possibly have in common with them? What would we talk about? Would it be scary? Or sad? Or humbling? I found out over time that yes, it was a bit scary, and sad and humbling. But it was also quite joyful at times. It was a place of true community. It was a place where people needed someone to listen to them and affirm their God-given dignity. It was a place where I found that I did have things in common with many of the guests. It was a place where our encounters began to chip away at the walls that society had created between us. Between rich and poor, legal and "illegal", mentally healthy and ill, addicts and sober, white and black, old and young, the list could go on and on. Building friendships with people different from myself, connecting with those I thought I had nothing in common with touched me deeply. These experiences were not just encounters with other human beings, these were indeed encounters with God. In and through our encounters, we can learn who God is, who we are and who we can be.

I invite each of you to try spending some time at the Warming Center this January. The Center is open

from 8:30am-4pm Monday-Friday. If you work, consider stopping in on your lunch break. When the kids are off on MLK day, bring them along. And may God lead us to encounter our guests with the love, mercy and compassion that God has shown to us.

## CONFIRMATION STUDENTS SERVICE OPPORTUNITY

This month, the parish will have some new service opportunities coming up. One idea is to bake treats or make snacks or sandwiches for our guests in the Daytime Warming Shelter that we are hosting all during January. Or perhaps you could do a little fund-raising for some needed items, such as warm socks, gloves, etc.

Centering Prayer is a method of silent, contemplative prayer in which thoughts and feelings are stilled as we simply seek to be with God. It is rooted in centuries-old monastic prayer. The book [Open Heart, Open Mind](#) by Fr. Thomas Keating, OCSO is a good introduction.

The first Monday of each month is a special introductory session, during which we listen to an audio tape that describes the method of Centering Prayer session. Otherwise, we typically sit for two 20-minute silent prayer sessions with a short meditative walk in between.

All are welcome.
